

# Call for Volunteers

**You can make a difference!**

## What is a LOSS team?

"LOSS stands for Local Outreach to Suicide Survivors. A LOSS Team is an active model of postvention that involves two or more trained volunteers who go to the scene of a suicide to provide immediate support to those left behind. Having a LOSS Team at the scene of a suicide provides loss survivors with practical support, a connection to resources, and most importantly, an instillation of hope."- Ohio Department of Mental Health and Addiction Services
